We meet on the third Tuesday of each month from 6:00 to 7:30pm. We ask for a commitment of two years. *Information*, Chris Koehler, (206) 382-4511 or ckoehler@stjames-cathedral.org.

WOMEN HELPING WOMEN During the summer months when satellite winter shelters are closed, many people find themselves out on the streets with no place to go. Homeless women are especially vulnerable during this season. St. James is partnering with Operation Nightwatch to meet the housing needs of these women by establishing a 3-month summer shelter for women. We are looking for women volunteers (18+) who are interested in serving as overnight hosts in pairs. We are hoping to host the shelter here so we will need a core of committed volunteers. Please consider serving one or two nights a month. *Information*, Jennifer Ibach 206-654-4640 or jibach@stjames-cathedral.org.

THE YEAR OF ST. PAUL

Be sure to visit the place of prayer for the year of St. Paul in the south aisle of the Cathedral and online at www.stjames-cathedral.org.

“Let us celebrate the feast ... with the unleavened bread of sincerity and truth.” This exhortation from St. Paul, resounds even more powerfully in the context of the Pauline Year. Let us accept the Apostle's invitation; let us open our spirit to Christ, Who has died and is risen in order to renew us, in order to remove from our hearts the poison of sin and death, and to pour in the life-blood of the Holy Spirit: divine and eternal life.” —*Pope Benedict XVI's homily for Easter Sunday, 2009*

*The Health and Healing Ministry presents
Part 3 of a 3-part series on Mental Health*

Spirituality, Faith, & Mental Illness

Tuesday, April 28, 2009

**7:00pm-8:30pm, Pastoral Outreach Center
Community Room**

Mental Illness can substantially alter and disturb a person's spiritual life. Depression, bi-polar disorder, schizophrenia, trauma and abuse, and chemical dependency profoundly impact the soul. We are called to share the journey of healing, serving as companions, a way of care especially suited to reaching into the isolation and loneliness of mental illness and supporting long term recovery. Craig will share wisdom and practice gained from 22 years as a mental health chaplain helping others build a faith adequate to the struggles individuals and families face with brain disorders and deep psychological woundedness.

CRAIG RENNEBOHM, D. MIN. graduated from Carleton College in 1966 and Chicago Theological Seminary in 1970. He was ordained in the United Church of Christ and served in the parish ministry for sixteen years, eleven of them in Seattle. In 1986, Craig entered the Pacific School of Religion in Berkeley, California, where he concentrated on pastoral care and received the Doctor of Ministry degree. He returned to Seattle in 1987 and founded the Mental Health Chaplaincy. Under Craig's leadership, the Chaplaincy has grown to serve families, create mental health ministries in local congregations, and advocate for an effective and readily accessible community mental health system. Craig has taught and presented in a variety of local, national, and international settings, and served for ten years with an international, interfaith working group on Spirituality and Social Work.

He has received numerous recognitions for his Chaplaincy work, including the Tipper Gore Award of the National Health Care for the Homeless Council, a Carleton College Alumni Distinguished Achievement Award, and a Seattle Post-Intelligencer Jefferson Award.

Caregivers, family members and friends of those suffering from mental illness are encouraged to attend this series. Please note: This is not intended to be a forum for audience members currently suffering from mental illness to share their stories.
