Your Community Blood Center

Puget Sound Blood Center is an independent, volunteer-supported, nonprofit community resource. It is a key link in the healthcare network, providing blood, tissue and specialized laboratory services in Western Washington and across the Northwest. Blood Center physicians offer 24-hour consultation to the medical community on transfusion and transplantation medicine issues, and provide valuable education aimed at improving patient care.

Who needs blood?

Most of us will require a blood transfusion at some point in our lifetimes. To meet the transfusion needs of patients in our community, at least 900 people must donate blood through the Puget Sound Blood Center every weekday.

Who can donate blood?

Most people can donate blood. Those who are at least 18 years old and weigh at least 110 pounds may donate blood every 56 days. Those 16 or 17 may donate with a signed Blood Center permission slip; there is no upper age limit. Some health conditions or medications may temporarily or permanently prevent people from donating blood.

Help save a life—sign up to donate!

Sign up at coffee hours on 3/28, 4/11, and 4/18. Or e-mail jsimpson@stjames-cathedral.org to sign up or to find out more. Or call 206-274-3173.
