ST. JAMES CATHEDRAL
The Eleventh Sunday in Ordinary Time

June 13, 2010

ST. JAMES CATHEDRAL

June 13, 2010

Dear Friends,

I want to take this opportunity to thank each one of you who has contributed to the Annual Catholic Appeal. As always, your generosity is quite amazing. During difficult economic times you have dug deep and taken us closer to achieving our combined Archdiocesan and parish goal of \$470,330. I am more grateful than words can express. And to those of you who are in a position to but who have not yet made a gift, I would encourage you to do so. There's still time!

Deacon David Olsen, who served as our sacristan for three years and who took a regular turn preaching at weekend Masses has been asked by the Archdiocese to assume a new ministry among the Native American communities of Snohomish County. I am happy that he will have this new opportunity for diaconal ministry and I know he will bring many blessings to the people he serves, but I am also very sorry to see him and his wife Reeny leave St. James. Like you, I will miss David's calming, peaceful presence and his insightful and challenging homilies. This weekend, during the hospitality following the morning Masses, you will not only have a chance to participate in the Health Fair, but also an opportunity to greet David, to sign a parish "card" for him, and to thank him for his ministry here at St. James. David, our prayers accompany you on this new chapter of your journey of faith and service!

And one more thing to share with you: after nearly 20 years serving as my assistant, Kay Kaiser has made the difficult decision to retire. As you can imagine, this is a happy moment for Kay but a difficult moment for me as well as for the parish. There is no way I can begin to calculate how many lives Kay has touched over her years of service here: how many people she has touched by her warmth and kindness, how many people she has patiently helped over the phone and in person, how many ruffled feathers she has smoothed, how many appointments and interviews she has scheduled for me, how many parties and receptions she has planned and hosted, and the list could go on and on. Chances are, you are one of the countless people Kay has helped over the years. If so, I know you will take time to say a special prayer of thanks for her and a prayer, too, that her well-deserved retirement will be everything she hopes for.

GLORIA

LAUDA ANIMA

Glory be to God in heaven,
Songs of joy and peace we bring;
Thankful hearts and voices raising,
To creation's Lord we sing:
Lord, we thank you, Lord, we bless you,
Glory be to God our king.

Lamb of God who on your shoulders
Bore the load of this world's sin;
Only Son of God the Father,
You have brought us peace within:
Lord, have mercy, Christ, have mercy,
Now your glorious reign begin.

You, O Son of God, are holy,
You we praise with one accord;
None in heav'n or earth is like you,
Only you are Christ the Lord,
With the Father, and the Spirit,
Ever worshiped and adored.

STATEMENT OF MOST REVEREND JOHN C. WESTER
BISHOP OF SALT LAKE CITY, UTAH
CHAIRMAN, U.S. CONFERENCE OF CATHOLIC BISHOPS'
COMMITTEE ON MIGRATION

April 27, 2010

On behalf of the United States Conference of Catholic Bishops (USCCB), I join with the Catholic bishops of Arizona in strongly opposing the enactment and implementation of Arizona SB 1070. This new law, although limited to the State of Arizona, could have impact throughout the nation, in terms of how members of our immigrant communities are both perceived and treated.

SB 1070 gives law enforcement officials powers to detain and arrest individuals based on a very low legal standard, possibly leading to the profiling of individuals based upon their appearance, manner of speaking, or ethnicity. It could lead to the wrongful questioning and arrest of U.S. citizens and permanent residents as well as the division of families—parents from children and husbands from wives. It certainly would lead to the rise in fear and distrust in immigrant communities, undermining the relationships between their members and law enforcement officials.

SB 1070 is symptomatic of the absence of federal leadership on the issue of immigration. For years now, the U.S. Catholic bishops have called upon Congress and two Administrations to enact meaningful and just comprehensive immigration reform.

While many of our federal elected officials have made good faith efforts to pass reform, too many still view the issue through a political lens, using it to gain political or partisan advantage. This gamesmanship must stop.

Our national leaders must educate the American public on the need for reform and show courage in making it happen. Until immigration reform is passed, other States will attempt to create and enforce immigration law, with harsh and ineffective consequences.

The U.S. Catholic bishops stand in solidarity with the bishops of Arizona in opposing this draconian law. We call upon the Administration to review its impact on civil rights and liberties.

We renew our call for the Administration and Congress to work in a bipartisan manner to enact comprehensive immigration reform as soon as possible.

Catholic Social Teaching

LIFE AND DIGNITY OF THE HUMAN PERSON

The Catholic Church proclaims that human life is sacred and that the dignity of the human person is the foundation of a moral vision for society.

CALL TO FAMILY, COMMUNITY, AND PARTICIPATION

We believe people have a right and a duty to participate in society, seeking together the common good and well-being of all, especially the poor and vulnerable.

OPTION FOR THE POOR AND VULNERABLE

A basic moral test is how our most vulnerable members are faring, in a society marred by deepening divisions between rich and poor.

SOLIDARITY

We are one human family whatever our national, racial, ethnic, economic, and ideological differences.
