PROFESSION OF FAITH (except at 10:00am)

**I believe in one God, the Father almighty,  
maker of heaven and earth,  
of all things visible and invisible.**

**I believe in one Lord Jesus Christ,  
the Only Begotten Son of God,  
born of the Father before all ages.  
God from God, Light from Light,  
true God from true God,  
begotten, not made,  
consubstantial with the Father;  
through him all things were made.  
For us men and for our salvation  
he came down from heaven,**

*[ALL BOW]*

**and by the Holy Spirit  
was incarnate of the Virgin Mary,  
and became man.**

*[ALL STAND UPRIGHT]*

**For our sake he was crucified under Pontius Pilate,  
he suffered death and was buried,  
and rose again on the third day  
in accordance with the Scriptures.  
He ascended into heaven  
and is seated at the right hand of the Father.  
He will come again in glory  
to judge the living and the dead  
and his kingdom will have no end.**

**I believe in the Holy Spirit, the Lord, the giver of life,  
who proceeds from the Father and the Son,  
who with the Father and the Son  
is adored and glorified,  
who has spoken through the prophets.**

**I believe in one, holy, catholic and apostolic Church.  
I confess one Baptism for the forgiveness of sins  
and I look forward to the resurrection of the dead  
and the life of the world to come. Amen.**

# WINTER SHELTER

*"Lord, when did we see you hungry and feed you, or see you thirsty and give you drink?  
When did we welcome you or clothe you?" The King will answer them: "I assure you,  
as often as you did it for the least of my brothers and sisters, you did it for me." Matthew 25:37-40*

The 2016 One Night Count found 4,505 people sleeping outdoors on the streets of King County.

# Happy Citizenship Day from St. James Immigrant Assistance!

Yesterday, President Obama proclaimed Constitution Day and Citizenship Day to mark the anniversary of the signing of the U.S. Constitution on September 17, 1787, and to salute the continuing contribution that immigrants from around the world have made, and continue to make, to building our country and communities.

Considering the heightened debate surrounding immigration policy and reform, one might mistakenly think that immigration is a huge problem to be attacked, rather than a historic and positive process that mostly needs streamlining. We are strengthened by our diversity. In fact, for generations people from other lands have arrived in this area to escape persecution and exploitation in their native countries and to seek a better life for their families. In 2013 and 2014 combined more than 1.4 million resident immigrants became naturalized citizens. Many others await action by Congress so that they may begin a path to legal citizenship. Immigrants are a growing and vital part of our community, and as they successfully integrate into community life they become important cultural and economic contributors.

## Citizenship Services at St. James

We shepherd applicants throughout the process including screening, collecting the documentation, filling out and filing the application, following up on requests for further evidence, providing mock interviews for practice, offering citizenship preparation classes, and attending their citizenship interview. After becoming a citizen, we help them to understand their rights, responsibilities, and benefits.

**Last year, we helped 45 people become U.S. citizens, 10 more are awaiting naturalization interviews, and another 13 are about ready to file their application.**

## Sponsor a Citizenship Client

To sponsor a citizenship client you make a gift of \$100. When you donate online you can make your gift in installments by checking the 'recurring payments' box. To find out more, visit our website at <http://www.stjames-cathedral.org/immigrant/sponsor.html>

## The Benefits of Citizenship

Citizenship provides immigrants access to higher education, more employment opportunities, and a sense of belonging. Social and cultural integration reduces stress and improves health. Naturalized citizens earn more than non-citizens, are less likely to live below the poverty level, and are less affected by economic downturns. This leads to stronger, more capable individuals, families and communities.

More than 8.8 million people currently qualify for citizenship, including 70,000 in King County. They face high application fees, a complex legal process, and sometimes notaries who take advantage of individuals seeking legal assistance.

More than 85 people participated in our free citizenship classes last year.

We strive to advance justice for refugees and immigrants through education, advocacy, and by helping the most isolated refugees and immigrants to learn English, become citizens and connect to community resources.

# CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT WORKING ON THE MARGINS

**T**he Catholic Campaign for Human Development (CCHD) works to be a voice of hope for those on the margins of society who experience the realities of living in poverty. CCHD supports programs to heal the wounds of crime and violence, advocate for more just policies, protect God's creation, and develop strong communities. Your donation to CCHD will help build a society where all have a voice and all know their inherent dignity.

In Haddington, Pennsylvania, there is no grocery store that carries fresh produce within its borders. Residents of this town often purchase cheap processed foods from convenience stores resulting in high rates of diet-related illness like obesity. The Urban Tree Connection works with low income communities to develop community-driven gardening projects that give residents an opportunity to develop their leadership skills and build community cohesion. Thanks to a grant from CCHD, Urban Tree Connection, the parent non-profit of Neighborhood Foods Coop, turns vacant land into space for food production

and trains low-income residents to grow and sell food. Nyshae, a member of the community, began by working as a Teen Apprentice where she shadowed an employee at Neighborhood Foods. She is now one of three new adults hired to run youth programs, continuing a cycle of support and hope.

The **Catholic Campaign for Human Development** funds programs in communities across the United States. By giving a hand up, rather than a handout, CCHD helps people living in poverty join together to identify problems, make decisions, and find ways to improve their lives and neighborhoods.

Your support helps to end poverty through building solidarity in our communities. Working together, we can reach out to our brothers and sisters living on the periphery of society. Please visit [www.povertyusa.org](http://www.povertyusa.org) for more details of CCHD's efforts to spread Christ's love by helping to break the cycle of poverty in your community and across the country.
