

Camino Seattle

Do you have a favorite walk you'd like to share with other parishioners? Throughout Camino Seattle, parishioners will host walks around the city. This will be a great way to reach your walking goal (and get a *community* stamp!) while meeting some fellow parishioners. Walks can be at a time and place of your choosing. The job of the host will be to greet fellow pilgrims, lead them in the Camino prayer, and give them their passport stamps (be creative here—the stamp is up to you!). Each participant is free to walk at their own pace, in conversation with others, or by themselves, or even with headphones if they prefer! Please complete and return the form below to offer a walk. Walks will be posted to the Camino Seattle website, and when possible published in the Cathedral's bulletin. **RSVPs are not required**, so be there, rain or shine! Be creative and get some friends to join you!
