

Hi Senior High Youth!

Are you looking for an amazing, life-changing summer experience this year? ...

Then come on the St. James Youth Migrant Project Mission Trip to Burlington, WA!!!

- **Who's going?** Teens and fun adult leaders from St. James and St. Mary's parishes and their friends.
- **What are we doing?** Volunteering in the Migrant dayCare centers and camps, playing with the kids, working the fields, hanging out with each other, reflecting on our experiences, and having a ton of fun!
- **When are we going?** July 18-23rd
- **Where are we going and where do we stay?** We go to Burlington, WA, which is in the Skagit Valley. We stay at Immaculate Conception in Arlington.
- **Why would I go?** The question really is, "why wouldn't you go"? This is going to be an amazing, life-changing week! Our faith teaches us to serve others in need and that's what this week is all about. In addition to that, you'll make a lot of new friends, learn a ton, have time to relax and pray, and get to do some cool activities and games!
- The cost is \$100.00 for the week (includes meals, transportation, lodging and lifelong memories). You can pay that over several months and scholarships are definitely available so just talk to us. We don't want financial matters to keep anyone from participating.
- Sign up by April 6th – 10 spots available, (first come first serve.) Selection will be based on grade, mission experience, St. James involvement, and space availability.
- There will be several **required** preparation meetings before we go up to Burlington.
- Questions – see Jennifer! (206-654-4640, jibach@stjames-cathedral.org)
Hope you can make it part of your summer plans!!
