## Joy and Hope in Christ

### CELEBRATING 50 YEARS SINCE THE OPENING OF THE SECOND VATICAN COUNCIL

The Second Vatican Council opened on October 11, 1962. Throughout the coming year, special events, and well as prayer and educational opportunities will help us mark the 50th anniversary of a watershed moment in our Church and our world. This will be a time to give thanks for the gifts of the Spirit in our Church, to be renewed in our understanding of the Council, and to look to the future. "Illuminated by the light of this Council, we confidently trust the Church will become greater in riches. Gaining strength and new energies from the Council, she will look to the future without fear" (Blessed John XXIII).
