

# Relics of St. Thérèse of Lisieux

“I would like to preach the Gospel on all five continents at once....”

This September, the Pontifical Mission Societies in the United States is sponsoring a tour of several relics of St. Thérèse of Lisieux, the Patroness of the Missions. The tour includes not only first-class relics, but also the saint's religious habit, her rosary, and several other items. This will be a rare opportunity to come close to one of the best-loved saints of modern times, and to recognize our own missionary vocation.
